Rail Road Adventure

The Trainway was incepted by the British in the 19th century with the main purpose of transporting goods, mainly the tea from the plantations and the imported goods to the up country.

Many historically, traditionally, politically, socially and agriculturally significant designations are winded across or close to the tracks of the Trainway we are hoping to get a glmpse of beauty to you while trekking the rail road to the galaboda waterfall

01

On your way to galaboda waterfall first attraction will be hanging bridge of Inguru oya .

02

After crossing the bridge you will witness one of important railway station belongs to Colombo – Badulla railroad “Ingiru Oya”

The Inguru Oya staation situated in center of the Colombo – Badulla rail road

02

After trekking though the rail road you will see a tunnel numbers as 12

03

When you passing through the tunnel No.12 there is another tunnel numberd as 13, this in the only place have 2 tunnels one after another

Tunnel 12 seen from tunnel 13

After continue trekking you will reach to the destination
“Galaboda Fllls”
